

# OPPORTUNITY SNAPSHOT

SENIOR PASTOR  
Faith Community Church

## Overview

Faith Community Church ([www.fccdublin.com](http://www.fccdublin.com)) in Dublin, Ohio represents an excellent opportunity for an energetic and relational pastor to join with this congregation of about 100 people as they prayerfully anticipate their next season of fruitful ministry.

## The Big Idea

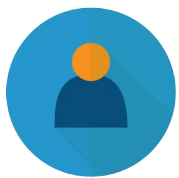

Faith Community Church is a terrific opportunity for a pastor who wants to build on a solid foundation and help a good church do even greater things for God's glory. The people are eager to welcome a caring, teaching pastor who will love them, inspire them and lead them to know Jesus and make Him known. They are hungry for a refreshed sense of shared purpose and clear plan for how they can better reach out to serve and influence their community and the world for Christ. Faith Community cares deeply about the next generation and desires to explore fresh ways to develop a vibrant youth ministry that is attractive and "sticky." They want to share the warmth and love they feel for their church with others and look forward to attracting and welcoming new people, especially those with children and youth, and incorporating them into the life of the church.

## The Candidate

Relationships are important here, so Faith Community would love to welcome a friendly and approachable pastor who is naturally outgoing and enjoys getting to know people and their stories. As a church that highly values a text-based approach to biblical teaching, the next Senior Pastor for Faith will be well grounded in God's Word, preaching with personal passion, interpretive integrity and application to daily life.
