

OPPORTUNITY SNAPSHOT

LEAD PASTOR
Christ Community Church

Overview

Christ Community Church (www.ccrochester.org) in Rochester, Minnesota is eager to call an authentic, passionate, and experienced Lead Pastor to love them, lead them, and challenge them toward deeper faith in Jesus, more meaningful community with one another, and greater impact in the local area and around the world.

The Big Idea

Christ Community Church (CCC) aspires to be a place where pastors, leaders, and congregants are passionate about Jesus, guided by the Word, and lovingly serve others with humility and grace. Following the unexpected departure of a 26-year Senior Pastor in 2017, CCC has engaged an intentional interim season with VitalChurch Ministry that has been positive in many ways. Healing is taking place and awareness is growing as to how current culture needs to shift. Exceptional biblical teaching remains a center point of the ministry, but CCC is eager to move beyond “numbers” and “production” to become a place where people are genuinely equipped to go deeper in personal discipleship, relational evangelism, and meaningful outreach in Rochester and beyond. People are hungry to experience genuine community, and to be empowered and supported as they learn to make their unique contribution. They hope to become a church that authentically lives its mission of “Restoring Our Broken World” across the aisle, across the street, and around the world.
