

OPPORTUNITY SNAPSHOT

Elementary Education Minister
Northwest Bible Church

Overview

Northwest Bible Church (northwestbible.org) in Dallas, TX is excited and eager to call a passionate and energized Elementary Education Minister to join their Family Ministries Team. This new Minister will have the opportunity to take the good work that's been done and solid foundation that exists, and elevate this ministry to new heights so more kids can know and love Jesus.

The Big Idea

The Children's Ministry at Northwest Bible Church is a vital piece to the ministry of the church. This opportunity is excellent for someone who excels at building relationships, is passionate about connecting children to leaders who love them and showing them the love of Jesus. As a part of the Family Ministry team, the Elementary Education Minister leads the charge for the Elementary Ministry as well as overseeing all of birth-5th grade children at Northwest. This next leader will have the opportunity to oversee a Resource Coordinator and collaborate with the entire Family Ministry Team to ensure every child is bridged to the next ministry. While a solid foundation is in place, leadership is needed, and this is a key time for maximizing the ministry and all who are a part of it. Programs, volunteers, parents and kids alike are in need of investment, connection and innovation. There are a lot of moving parts to this role: part visionary, part influencer, part relational connector, part organizer, part trainer, part recruiter, part collaborator...all of it coming together to point kids to Jesus.
