The Big Idea

Truth Baptist Church (TBC), founded by Pastor Bim Rowley and his wife, Deanna, in East Hartford/South Windsor, CT, has grown from a small gathering into a multigenerational, financially stable congregation marked by biblical preaching, relational ministry and steady, debt-free expansion. Rooted in Independent Baptist tradition but now embracing a more gracious, gospel-centered approach, TBC prioritizes unity in core doctrine while allowing flexibility in secondary issues. The church is led through a collaborative structure of pastors, deacons and congregation, fostering a humble, team-oriented culture focused on community engagement and spiritual growth. This diverse and growing membership has a strong commitment to outreach and is now in a season of leadership transition, honoring Pastor Rowley as Pastor Emeritus and seeking a new Senior Pastor to guide its next chapter of Spirit-led ministry and mission.
